FEATURES

- Strong, lightweight and easy to install
- Cast aluminum arm bracket and backplate.*
- Tenon included for luminaire mounting
- Durable powder coat finish

*Extruded aluminum (6061) arm bracket and backplate.

Mounting

Due to varying wall surfaces materials, hardware is NOT provided. Please choose the appropriate anchor for the intended wall type.

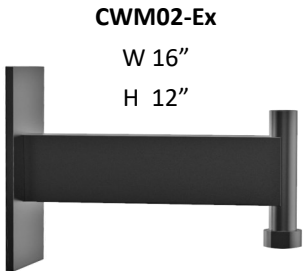

Finish

The wall mount brackets will be finished with an electrostatically applied polyester powder coat suitable for exterior use. The wall mount brackets are pretreated using industry standard environmentally responsible processes for a long lasting and durable finish.
